Dear Friends ;

All over the world now because of a very serious COVID-19 virus ;

As the Balkan Judo Association, we could not organize our events in 2020 - 2021 due to Covid-19. For the same reason, IJF and EJU were unable to play many tournaments. Now they are trying to do this by setting very important rules. We hope we never encounter such a situation again.

First of all, we are very happy to start the competition. In addition, as the balkan judo union, we could not make a choice in 2020 - 2021. That's why we have to choose in the first match. That's why we have to start the competitions on the following dates and apply certain rules in the countries where the competition will be held.

- 1- The vaccination card must be valid in every country.
- 2- Senior, Junior and Cadet athletes who do not have a vaccination card should not participate in the competitions.
- 3- Since the countries that will organize the organization have a low budget as BJA, it is necessary to provide convenience.
- 4- Countries participating in the competition should act and take responsibility considering all kinds of situations.

- 1- Each country will send 1 delegate name for the election. (denizsilli@hotmail.com)
- 2- Each country can enter the election in 1 category.
- 3- For each country candidate, the BJA must send a letter. (denizsilli@hotmail.com)
- 4- all delegates will be distributed the minutes of the meeting of the last 4 years.
- 5- The selection will be made on the 1st day of the competition. (16 July 2022 ' 12:00)
- 6- Suggestions and Complaints?
- 7- The new management will take office in the next competition.

- 1- **President (2022-2024 Year)**
- 2- **Vice President (2022-2024 Year)**
- 3- **Vice President (2022-2024 Year)**
- 4- **General Secretary (2022-2024 Year)**
- 5- **Refere Director (2022-2024 Year)**
- 6- **Sport Director (2022-2024 Year)**
- 7- **IT Director (2022-2024 Year)**
